The Milano Family

In 1968 The Milano Family migrated to America in search of better life. Their Father, a fisherman by trade, difficult, and soon found work in the shipyards when they arrived in Brooklyn, New York.

His son also found employment, joining their cousin Joe in the Restaurant business. After a few years spent learning the business and perfecting their culinary skills, they were soon ready to strike out on their own.

The brothers decided to head south where opportunity awaited. In 1978 they opened their first restaurant, Dino's Pizza in the Raleigh Springs Mall, bringing genuine New York style pizza to the mid-south.

Soon they opened another location in Germantown that carried the family name, and then expanded with another restaurant in Bartlett. They also established a reputation as a fine caterer for events of all sizes.

Today, The Milano Family operates a number of restaurants all around the Memphis area. Their name has become synonymous with authentic Italian cooking. For four decades, locals have been enjoying their tasty calzones, strombolis, pizza rolls, pasta dishes, extraordinary desserts and much, much more - along with a wide variety of the city's best pizza.

The Milano Family thanks their customers for their success here, and pledges to constantly maintain the quality of their dishes and their excellent level of service.
